PRESS RELEASE

Thursday • January 16, 2025 • 10:00 am - 4:00 pm CST

Ingalls Harbor Pavilion • 802 Wilson Street NW Decatur, AL 35601

This event will bring over 40 manufacturers who serve the First Responder and Industrial Safety markets, allowing our attendees to see new products and discuss their unique needs directly with the manufacturers. "We are honored to be celebrating the 14th year of this event. Our customers have made this event the success that it is, and we are excited to provide the one-on-one time for our customers with these manufacturers once again," said Jerrell Oaks, President and Founder of NAFECO. "We work hard to earn our customers' trust, and will take all the steps necessary to provide a safe, and healthy environment for everyone involved in this event. We will see you in Decatur!"
