ANSI/ISEA 105

■ Description:

The OMNI X+ 1133G by C2V is made from a premium ANSI /ISEA 105 A5 Cut Resistant, C-TRON yarn that requires no glass/steel to create the most amazing and protective product you will put on your hands. Look nowhere else for a cool, comfortable wear with cut protection. The form fitting Polyurethane Palm Coating will maximize dexterity while providing the feel of “not wearing a glove” you’ve been asking the market to make. You really should put a pair on and try them out!
